Alexandria Police Department Police Officer Candidate

CONFIDENTIAL QUESTIONNAIRE

The Alexandria Police Department conducts background investigations on all potential Police Officer candidates, inquiring into their suitability for employment. The information that is requested in this booklet is necessary in order to conduct the investigation.

We require that you provide us with your Social Security Number (SSN) in order to maintain accurate and complete records. The Alexandria Police Department may also use your SSN to make requests for information about you, but only where permitted by law. The information we collect using your SSN will be used for employment purposes only.

The hiring process to become an officer is an extremely competitive endeavor that requires our agency to identify the most highly qualified applicants for employment. An overwhelming number of qualified applicants will be competing for a limited number of positions. Our community expects and demands that we employ only those individuals who possess the highest degree of impeccability in terms of personal background, judgment, maturity, integrity and credibility.

The importance of the accuracy and thoroughness of your responses to the questions contained within this document are vital. The omission of information, or indications of deception, will not be tolerated, and in all probability; will result in your removal from this and future employment processes with this agency.

This agency will not consider individuals for employment who are less than honest and forthright. The information provided will be verified during both the polygraph and the background investigation. Any information that is knowingly withheld will be identified.
